

BY CONNECTING TO THE INTERNET THROUGH THIS SERVICE, YOU ARE CONSENTING TO THE STIPULATIONS STATED BELOW.

Please carefully read and review the terms and conditions of this Agreement before using the Service. This is a legal agreement between you, the Subscriber, and SOCANTEL Network. ("SOCANTEL ") for the use of the Service. By using the Service, you signify your agreement to all terms, conditions, and notices contained or referenced herein. If you do not agree to these terms and conditions, do not use the Service. We reserve the right, at our discretion, to update or revise this Agreement. Please check SOCANTEL's web site (www.SOCANTEL.net) periodically for changes. Your continued use of this service following the posting of any changes to the Agreement constitutes acceptance of those changes.

By using the Service, you also agree to abide by SOCANTEL's Acceptable Use Policy, including but not limited to, agreeing not to use this site for any unlawful purpose. A copy of the Acceptable Use Policy, which you should review, is furnished separately and can be found on SOCANTEL's web site.

SOCANTEL will employ best commercial efforts to provide advertised transmission speeds (between the customer location and the SOCANTEL's Internet gateway). The actual data throughput experienced by you will be variable and will depend on several factors including the data overhead inherent with IP connections, your location, destination on the Internet, traffic on the Internet, interference with high frequency spectrum on your telephone line, etc. No minimum level of speed is guaranteed. While SOCANTEL will employ best commercial efforts to maintain service availability, no guarantee is made regarding continuity of the Service, or the ability to log on to the Service.

A. DEFINITIONS

1. "Agreement" means this Service Agreement as it may be amended from time to time.
2. "Computer" means the personal computer(s) located at Subscriber's location that will be used to access the service. Each computer will need to meet certain minimum hardware and software requirements as described in Appendix A. Such requirements may be changed from time to time by SOCANTEL.
3. "Subscriber" means the account holder authorized by SOCANTEL to access and use the service.
4. "Service" means Internet Protocol ("IP") connectivity to the Internet gateway using dynamically or statically assigned IP addresses.

B. GENERAL

1. Use of the Service supplied by SOCANTEL is expressly limited to you and your immediate family or direct employees. Account sharing or resale is not permitted. Transfer of the account to any other person or entity, or to another location, without the approval of SOCANTEL, is prohibited.
2. Because our country allows the free interchange of ideas, you should be aware that some sites, accessible via SOCANTEL's Service may allow posting, retrieval, and/or electronic mailing of materials that you may consider obscene or objectionable.
3. You must be at least 18 years of age to use the Service. You may, at your discretion, permit minors to use the Service under adult supervision.
4. You are responsible for confidentiality of all account numbers and passwords. SOCANTEL will suspend access or change access to your account immediately upon notification by the subscriber that a password has been lost, stolen or otherwise compromised. 5. Some material downloaded from the Internet may contain computer viruses. In addition, hackers can gain access to your computer when it is connected to the Internet. In addition, you should follow industry accepted security practices such as not opening e-mail from unknown sources.
6. You are responsible for backing up of data on your computer before installation of hardware and software. The service requires a DSL modem, network interface card (NIC) and necessary software. Whether supplied by the subscriber or SOCANTEL, the modem becomes your property and if it ceases to function, is damaged, destroyed, lost or stolen, you will be liable for the cost of it's repair or replacement. We strongly urge you to protect the equipment with a surge arrestor that protects both power and telephone connections. (Refer to Appendix A for specifications).
7. For software provided by SOCANTEL, SOCANTEL grants a limited, non-exclusive license to use the software, in object code form only, solely for the purpose of connecting to the Service. This license will commence upon the initial furnishing of the Service and will terminate immediately upon termination of the Service. You are permitted to make a single copy of the software solely for backup purposes, provided that such copy contains the same copyright notices and proprietary markings as the original software. You will not engage in, and will not permit, any other copying, or any translation, reverse engineering or reverse compiling, disassembly or modification of or preparation of any derivative works based on the software, all of which are prohibited.
8. Installation assistance and assistance in the resolution of many routine problems is available by dialing a toll-free number.

4. SOCANTEL is not responsible for your personal files residing on the Internet. You are responsible for independent backup of such data.
5. The service allows you to access via the Internet certain content, merchandise and services for which there are charges payable to third parties. You, and not SOCANTEL, have the sole responsibility to pay these charges and shall indemnify and hold harmless SOCANTEL for all liability in connection to such charges.

In keeping with that responsibility, SOCANTEL reserves the right to suspend the service of any of its subscribers who knowingly, or unknowingly, generate such illegal or unsolicited material.
5. Restoral of Service; SOCANTEL will restore a service suspended consequent to 4 above when, in SOCANTEL's judgment, the condition leading to the suspension has been resolved.
